Job Title: Irrigation Service Technician
Location: Polson, Montana
Pay: Hourly, with overtime available commensurate with experience
Duration: Full-time, seasonal (generally 10-11 months/yr)
Department: Landscape

Company

Delaney's Landscape Center is a family-owned garden center, greenhouse, and landscape company located in Polson, Montana. Delaney's is committed to providing the best quality product at a fair price, providing superior customer service backed with professional knowledge, and to be recognized as one of the most progressive, profitable green industry businesses in Western Montana.

General Description

Looking for challenging work in the great outdoors? Located in Polson, Montana on the south end of beautiful Flathead Lake, Delaney's Landscape Center has a unique opportunity for a highly skilled professional Irrigation Technician. The Irrigation Technician will be responsible to service and repair underground sprinkling systems in our area as well as provide support for installation of new sprinkling systems. Our work can be physically demanding, mentally challenging, changing with the seasons, and interesting to those who like plants, water, and people.

Specific Responsibilities

- Service and/or install all aspects of irrigation systems, lighting systems, irrigation pumps, etc.
- Start and repair as necessary client's irrigation systems in the spring
- Winterize irrigation systems in the fall
- Interact with clients on jobsite who have questions or need system repairs.

Required Qualifications

- Experience with irrigation installation or service work (min 2 years with additional experience preferred)
- Understand basic pipe sizing, irrigation design, various sprinkler heads
- Exemplary customer service skills
- Understand workings and maintenance of irrigation pumps
- Ability to inspect, troubleshoot, and repair sprinkling systems
- Attention to detail
- Good organizational skills
- Ability to work alone and unsupervised
- Strong communication skills and willing to interact with customers and coworkers
- Self-starter with strong work ethic
- Ability to prioritize and multitask
- Basic computer skills to fill out daily work report
- Valid driver's license and clean driving record
- Ability to contribute constructively to a team work environment
- Ability to multitask and work flexibly as tasks and priorities shift to address current needs

Job Requirements

- Able to lift 50 pounds repeatedly throughout the day
- Valid Montana Driver's License
- Ability to use hand tools and power equipment
- Ability to work in all environmental conditions
- Holiday and weekend work may be required
